

Quality Policy Statement

Prestige Network Ltd is committed to providing first-class Translation, Interpreting, Language Consultancy and Communication services that meet or exceed candidate and customer requirements.

We strive to achieve an excellent level of repeat business through delivering quality services and maintaining our reputation by achieving high levels of customer satisfaction.

To guarantee high levels of performance, quality, and customer satisfaction and to ensure that year-on-year improvements and growth are maintained, Prestige Network Limited operates an integrated management system that meets the requirements of ISO 9001:2015 and 27001:2013.

We believe that quality and information security is everyone's business and as such all personnel have a responsibility to ensure they consider both as an integral part of all the work they do.

Prestige Network is committed to enhancing the abilities of all staff to support the effective operation of the integrated management system and the achievement of quality and other company objectives.

Compliance, risks and improvement is monitored by regular internal audits and is maintained by timely implementation of preventative and corrective action.

Through the operation of the IMS we are committed to delivering a quality service, on time, to agreed budget and therefore profitable.
